OFFICE OF STRATEGIC SERVICES

INTEROFFICE MEMO

Date: 29 December 1943

TO: List 51

FROM: Communications Branch
and Security Office

SUBJECT: Cable Security

It should be brought to the attention of members of OSS in all offices and theaters that the name of this Agency, including the abbreviation "OSS," as well as its local addresses, are not to appear in any plain text cables or radiograms or in the preambles thereto. This policy shall apply regardless of whether commercial or governmental communication facilities are used.

There has been some difficulty recently in this connection and great care should be exercised by all members of OSS in the preparation of messages, especially when of a personal nature.
